XtremeMac™

Made for iPod

Works with iPhone

Luna Voyager™

Luna Voyager is the perfect alarm clock for home or travel. Its compact design fits nicely on any nightstand and easily into a bag so you can take it with you when traveling. Luna Voyager allows you to automatically set the time from your iPhone and will sound the alarms set on your phone.

You can wake to your iPhone, iPod or the buzzer and with battery backup you'll be sure to never miss your alarm. With two custom speakers, it is ideal for personal listening. So whether at home or on the go, Luna Voyager will be there to wake you up!
